Mr. J. Blair Seaborn
[REDACTED]

Dear Mr. Seaborn:

We refer to your informal access request, conveyed to us through Ken Brown, for certain specified documents relating to Vietnam from the 1966-7 period. The department has completed its review of these documents. They are listed in Annex A to this letter. Those marked "R" are released and copies enclosed with this letter. Those marked "E" have been exempted from release under the sections of the Access to Information Act indicated. The three documents marked "*" have also been exempted from release as they contain information we would not wish to release without the consent of the relevant United States authorities. A copy of the exemptions under the Act is attached for ease of reference.

Yours sincerely,

Ian Mundell
